

Fourth of July Safety Tips

Use only
State Fire Marshal
approved fireworks.

- Use fireworks outdoors only.
- Always read directions.
- Always have an adult present.
- Keep a safe distance.
- Have a bucket of water and a hose handy.
- Do not wear loose fitting clothing.
- Never experiment with fireworks.
- Light one at a time.
- Never attempt to re-light or "fix" fireworks.
- Never carry fireworks in your pockets.
- Never point or throw fireworks at another person.
- Fireworks are not toys.
- Parents are liable for any damage or injuries caused by their children using fireworks.
- Never use fireworks near dry grass or other flammable materials.

Severe burns, amputations, blindness, and, in some cases, deaths are often the result of 4th of July celebrations.

Did you know...

Local ordinances should be verified before purchasing and/or using fireworks.
